

Complete Digestion™ Product Specifications

Complete Digestion is designed to boost depleted enzyme levels in the body, restoring the efficiency of the digestive process and reducing inflammation, the primary source of many degenerative disease symptoms. **Complete Digestion** is an acid stable blend of plant based enzymes that is formulated as a general digestive aid to enhance absorption and assimilation of vital nutrients.

Digestive enzymes are the “sparks of life” that enable us to turn food into energy. From the moment food enters the mouth enzymes begin working to break it down into fuel particles. Enzymes also play a critical and diverse role in cellular metabolism. It is no secret that the foods we eat today are not exactly what our Creator intended. In the name of profit, fruits and vegetables that are grown in nutrient-poor soil are sprayed, processed and preserved for a longer shelf life. Cooking further destroys the natural enzymes present in food, producing a strain on the body’s enzyme reserves. This “enzyme deficit” places a toxic burden on the body that accelerates with age, robbing us of energy and vitality.

Currently it is estimated that 58% of the American population suffers from some type of digestive disorder. Many degenerative health problems (such as allergies, food sensitivities and auto-immune disorders) are thought to begin in the gut with incomplete or inadequate digestion. Taking **Complete Digestion** is a simple and effective way to improve digestion and avoid the problems associated with enzyme depletion.

SUGGESTED USE: Take one (1) capsule before or with meals as a dietary supplement or as prescribed by your health care practitioner.

COMPLETE DIGESTION™ is a comprehensive blend of vegetable based enzymes designed to enhance absorption of vital nutrients. Each capsule of **COMPLETE DIGESTION™** is formulated to 30 grams of carbohydrates, 15 grams of protein, and 15 grams of fat.

CAUTION: Do not exceed recommended dose. Pregnant or nursing mothers, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement.
Heat destroys enzymes! Do not mix in hot beverages or food.

KEEP THIS AND ALL OTHER DIETARY SUPPLEMENTS OUT OF REACH OF CHILDREN.
DO NOT USE IF SAFETY SEAL UNDER BOTTLE CAP IS MISSING OR BROKEN.
STORE IN A COOL, DRY PLACE.
