

## Liver CS Plus™ Product Specifications

The liver is the second largest organ in the human body, and the only one that can regenerate itself when it is damaged. This unique feature is important because the liver must process every nutrient, toxin, drug, and other substance that enters the body. The liver helps regulate blood sugar and plays a major role in the metabolism of hormones, carbohydrates, proteins and fats. It is also responsible for synthesizing or recycling the vast majority of proteins that regulate signaling pathways for inflammation. Maintaining the health of this most vital of organs is one of the major keys to vibrant health.

A cornerstone of the **Burgstiner Wellness Protocol™**, **Liver C/S Plus** is a synergistic blend of herbs and nutrients that is designed to *cleanse* and *support* the liver and encourage regeneration of liver tissue. No other liver formulation has ever combined the ancient knowledge of traditional, Chinese and Ayurvedic liver herbs together with the restorative power of organic liver extract.

Each easily assimilated veggie cap of **Liver C/S Plus** is packed with a therapeutic dose of milk thistle extract, turmeric, N-Acetyl Cysteine (NAC), Alpha Lipoic Acid and other herbal and nutritional factors that are known to nourish the liver and dramatically enhance the absorption of vital nutrients. Taking **Liver CS Plus** is a great way to promote elimination pathways in the body, reduce inflammation and lower the body's burden of wastes and other harmful substances.

**Directions:** For best results, take two (2) capsules daily with water. One (1) in the morning and one (1) in the evening.

**CAUTION:** Do not exceed recommended dose. Pregnant or nursing mothers, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement.

Free of sugar, starch, yeast, salt, corn or milk. No preservatives, artificial colors or flavors added.

**KEEP THIS AND ALL OTHER DIETARY SUPPLEMENTS OUT OF REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL UNDER BOTTLE CAP IS MISSING OR BROKEN. STORE IN A COOL, DRY PLACE.**

Bioperine™ is a registered trademark of Sabinsa, Inc. Us patent #'s 5,536,506 (1996) and 5,744,161 (1998).
