

# Whey Pro Isolate™ Product Specifications

Whey protein is an excellent protein choice for individuals of all ages who value the role of a healthy diet in helping to maintain and improve their health. **Whey Pro Isolate**, the purest form available, is unsurpassed as a source of the essential amino acids required in the daily diet. Essential amino acids are the building blocks for healthy muscles, skin, nails and other body tissue.

Whey protein provides a number of health benefits in areas including sports nutrition, weight management, immune support, bone health, and general wellness. Whey protein is a soluble, easy to digest protein and is efficiently absorbed into the body. It is often referred to as a "fast" protein for its ability to quickly provide nourishment to muscles.

Logos **Whey Pro Isolate** contains the highest quality protein available anywhere, and is designed to help fuel body metabolism and increase fat burning potential. Because it enhances glutathione levels, it also stimulates immunity and enhances detoxification pathways.

**Whey Pro Isolate** contains no added sugars (it is sweetened with Stevia), fats or fillers, and is extremely low in carbs. You simply won't find a cleaner source of protein. With the Logos **Unconditional Satisfaction Guarantee**, you have nothing to lose, so try a canister today!

(Available in 420gm or 840 gm sizes)

**SUGGESTED USE:** Mix 1-2 scoops to 8-10 oz. water, milk, juice, yogurt or your favorite recipe. Drink immediately. Add more or less liquid for desired thickness. For best results: Upon rising - 1-2 scoops, immediately after workout - 1-2 scoops, and before bed - 1-2 scoops. Additionally, can be taken between meals. Do not use this product as a meal replacement without the supervision of a health care professional.

TYPICAL AMINO ACID PROFILE PER SERVING*			
Isoleucine (BCAA)™	154mg	Glutone	414mg
Leucine (BCAA)™	317mg	Threonine (EAA)™	360mg
Valine (BCAA)™	151mg	Aspartic Acid	272mg

Lysine (EAA)™	238mg	Proline	167mg
Cystine	82mg	Asparagine (EAA)™	489mg
Methionine (EAA)™	81mg	Serine	139mg
Glutamine	447mg	Alanine	125mg
Phenylalanine (EAA)™	79mg	Tryptophan (EAA)™	60mg
*Branch Chain Amino Acids			
†Essential Amino Acids			

**PRODUCT DESCRIPTION:** Protein is second only to water as the most plentiful substance in the body and provides nutritional components necessary for muscle tissue, internal organs, the formation of hormones and an endless number of other functions in the body. Protein consists of 22 "building blocks" called amino acids. All 22 are required by the body in a specific pattern. While the body can produce some of the amino acids, ten must be obtained from the diet. These ten "Essential Amino Acids" are found only in "complete" protein sources. Whey Pro Isolate is a complete source of protein and contains all of the "Essential" and "Branch Chain Amino Acids" Formulated to provide a high Biological Value. Whey Pro Isolate is extremely efficient in the body. And, with 26 grams of protein per serving, it is an excellent way of increasing the daily intake of protein without excessive carbohydrates and fat.

**CAUTION:** Not recommended for individuals with allergies to dairy and soy products and should not be used by pregnant or nursing mothers or children under 18 years of age without the advice of a physician. This product is intended to supplement the diet with additional protein and should not be used as a meal replacement. Not for use as part of a weight loss program without the direct supervision of a health care professional. Excessive protein intake may result in impaired kidney function.

**KEEP THIS AND ALL OTHER DIETARY SUPPLEMENTS OUT OF REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL UNDER BOTTLE CAP IS MISSING OR BROKEN. STORE IN A COOL, DRY PLACE.**
